Carol,

Good afternoon. The City Council has decided to proceed with only the fireworks display on September 5<sup>th</sup>. At this time we are working with the vendor to secure the final permitting and planning to proceed with the display per the direction given by City Council. Please let me know if you have any additional questions.

Thank you,

Hi Brian,

I was speaking with Kristin Daniels this morning, she is the Director of the Office of Management and Budget for Indian River County. We are wondering what the likelihood of a fireworks display happening on September 5<sup>th</sup> with the increase of COVID cases? The Board of County Commissioners has one meeting this month on August 18<sup>th</sup>, so if you can get back to me by August 11<sup>th</sup> this would give me enough time to prepare the documents for the meeting.

Thanks,

Carol Bergeron
