RE: Fellsmere Water Management Area Boat Ramp

Dear Dr. Shortelle,

On behalf of the Indian River County Board of County Commissioners, I am writing to you to express our support of the Fellsmere Water Management Area Boat Ramp at Headwaters Lake. We appreciate your commitment to ensuring safe, convenient public access is available to the 10,000-acre Fellsmere Water Management Area.

This project will provide improved accessibility to what is expected will be a world-class fishing opportunity in Indian River County. It is my understanding that the project will include two concrete boat ramps with boarding dock, restroom facilities, plus more than 32 boat-trailer, car and handicap parking spaces along with overflow parking.

We look forward to this fantastic improvement at Headwaters Lake; it will provide better access for more people to enjoy what Indian River County has to offer in the way of our conservation areas. Thank you very much.

Sincerely,

//ORIGINAL SIGNED//

Bob Solari
