Re: Proposal for Eminent Domain Legal Services

Dear Alan:

I enjoyed my recent meeting with you, and Dylan Reingold. As I indicated to you, I am interested in performing legal services on behalf of Indian River County concerning eminent domain and, if requested, related subject areas. I understand that any such work would be on an as needed basis.

If retained, I would bill the County at the hourly rate of \$225.00. Time is billed in .1 increments and on a monthly basis. In addition, costs and expenses such as courier and delivery fees, postage, photocopies, etc. would be billed at cost.

Please advise if you would like any additional information or a more formal attorney-client contract. I am looking forward to working with you and the County staff in the future.

Sincerely yours,

William P. Doney, Esq.
