## Interests & Experiences

### Why are you interested in serving on a board or commission?

---

I am deeply committed to the well-being and development of children in our community, and I believe that serving on the Child Services Advisory Council of Indian River County provides a meaningful opportunity to make a positive impact. I have a strong passion for advocating for children's needs, particularly in the areas of education and social development. Through my experience working with families and understanding the challenges they face, I have developed a deep appreciation for the role that effective child services play in shaping a brighter future for our youth. I'm eager to contribute my insights, collaborate with others who share this passion, and help shape policies and programs that ensure every child in Indian River County has access to the support and resources they need to thrive.
