TO: Members of the Board of County Commissioners

FROM: Jason E. Brown
County Administrator

DATE: January 8, 2018

SUBJECT: Vero Beach Air Show

DESCRIPTION:

The Blue Angels are returning to Vero Beach for the Vero Beach Air Show being held at the Vero Beach Regional Airport on April 21st and 22nd, 2018. A request has been made to allow Air Show volunteers to park and ride from the Administration Complex April 20th through April 22nd. In addition, it is requested that Building A be open to volunteers for the use of the restrooms and to be out of any inclement weather on both days between 7:00 a.m. and 6:00 p.m. This is similar to what the Board approved for the previous Air Show scheduled for June of 2016.

RECOMMENDATION:

Staff recommends authorizing the use of the County Administration Complex Parking Lots and Building A for the April 2018 Vero Beach Air Show volunteers park and ride transportation services.
