The Community Development Department is requesting an approved Resolution of Support for the 43rd Avenue Sidewalk project. This resolution will be included for the 2023 Transportation Alternatives Program (TAP) grant application submitted to the Florida Department of Transportation (FDOT).

The project will consist of the construction of a new 6' wide concrete sidewalk along the east and west side of 43rd Avenue from 45th Street to 49th Street. On February 8, 2023, the Indian River County Metropolitan Planning Organization (MPO), approved the 43rd Avenue sidewalk project as the Transportation Alternatives project in the draft List of Priority Projects (LOPP) to be submitted to FDOT.

FUNDING

The improvements will be built within the Indian River County right-of-way of 43rd Avenue between 45th Street and 49th Street and funded by the Florida Department of Transportation to Indian River County through the Transportation Alternatives Program.
