

**INDIAN RIVER COUNTY**  
**BOARD OF COUNTY COMMISSIONERS**

**INTER-OFFICE MEMORANDUM**

---

TO: Members of the Board of County Commissioners

DATE: February 6, 2019

SUBJECT: Dodger Golf Course Pedestrian/Jogging Trail

FROM: Commissioner Bob Solari

---

At the last COVB council meeting the City Council accepted the County's offer to purchase the Dodgertown Golf Course property. Councilmember Young appropriately talked about trust and good faith when explaining his vote to sell the property and to work with the County.

I believe that it is in the best interests of all in the County for the BCC to build on the words of Councilmember Young and make a move that demonstrates our good faith. I believe that a good first step would be to authorize staff to immediately begin the general conceptual design of the new Dodgertown Park while specifically beginning the process to design and build the pedestrian/jogging trail that is called for in our contract with the City.

Thank you
