SUBJECT: Purchase of Dive Rescue Dry Suits

It is respectfully requested that the information contained herein be given formal consideration by the District Board of Commissioners at the next scheduled meeting.

DESCRIPTIONS AND CONDITIONS

Staff is seeking the purchase of ten (10) DUI PS Select Dry Suits from Dive Rescue International, Inc. The dry suits are housed at Fire Rescue Station #2 (3301 Bridge Plaza Dr.) and are primarily used for dive rescue operations, marine rescue activities and recovery operations. The current dry suits have reached their end of life usage and are out of service. The DUI TLS PS Select Dry Suit keeps Fire Rescue personnel isolated and protected from any contaminants in the water. Staff has obtained price quotes for the proposed replacement of ten (10) dive dry suits, which includes a trade in discount of ten (10) older dry suits. Staff recommends that the Board of County Commissioners declare asset numbers 200990, 201000, 23379, 23380, 23381, 23382, 23383, 23384, 23385 and 23386 as surplus and authorize their trade in for a \$2,500.00 discount on the purchase of the new dry suits.

FUNDING:

Funding for the ten (10) Dive Suits are available in the Fire Rescue budget utilizing the FP&L Grant funds as follows:

| 10 DUI PS Select Dry Suits | \$18,900.00 | 11412022-066490-17017 |
