Subject: Agenda Item for BCC meeting 02/25/2025 Item 15E - Joint City/County Workshops
Date: Wednesday, February 12, 2025 11:24:44 AM

Respectfully request a discussion with my colleagues regarding the scheduling of Joint Workshops.

Joint City/County Workshops were held during 2023/24 with Sebastian, Vero Beach and Fellsmere. Agendas attached for your convenience. The Towns of Indian River Shores and Orchid declined at that time. It was agreed that these Joint Workshops would be held on a regular basis – twice annually.

City Councilmembers have expressed their interest in scheduling Joint Workshops. The previous Joint Workshops were moderated by Mr. Tom Lanahan of Treasure Coast Regional Planning Council. County Staff worked with each City Staff to determine suitable meeting dates. BCC discussed topics for each of the workshops agendas at regularly scheduled meetings in response to memorandums by the County Administrator.
