Tim,
I recently have taken over management of our Panhandle (Gulf Region) as the Regional President along with the entire state. My travel has increased ten-fold causing me to resign from the committee due to my increased travel schedule. I do have a senior project manager who handles our Indian River communities that would be suited for this committee if I could recommend a replacement. His name is Steve Cannavaro. I can send you his resume for consideration.

Thank you for the opportunity to serve.

Richard A. Brown
