County Commissioner, Peter D. O'Bryan
County Administrator, Jason Brown

**Office of the
County Administrator**

Re: Monitoring Equipment and Cameras

On behalf of the Friendship Missionary Baptist Church, we would like to request all of the old cameras and monitoring equipment that was previously used in the Commission Chambers, be donated to the church.

Over the last few years there have been a rash of killings in the community, robberies have increased and we would like to record our live services to get a positive message out to the community and abroad. Using this equipment would help us reach our members and others who aren't able to attend the church in person, but would be able to benefit from these services. With the visual and sound monitors it will enhance our services, allowing the congregation to participate by seeing the words of the songs and following along with the scriptures being read.

With this donation, you will help Friendship Missionary Baptist Church spread a positive message throughout the community.

If you should have any questions, please feel free to contact myself, Wilfred Hart, at (772) 559-3821.

Thank you in advance for your support.

Deacon Wilfred Hart

Rev. William Bradley, Pastor
