

**INDIAN RIVER COUNTY**  
**SOLID WASTE DISPOSAL DISTRICT**  
**BOARD MEMORANDUM**

---

Date: November 16, 2016  
To: Jason E. Brown, County Administrator  
Thru: Vincent Burke, Director of Utility Services  
From: Himanshu H. Mehta, P.E., Managing Director, Solid Waste Disposal District  
Subject: Final Eighth Amendment to Feedstock Supply Agreement

---

**BACKGROUND:**

On October 18, 2016, the Solid Waste Disposal District Board approved the draft Eighth Amendment to Feedstock Supply Agreement with INEOS New Planet BioEnergy and authorized the chairman to execute the Eighth Amendment upon final review and approval by the County Attorney. The approval was for INEOS to utilize the Indian River County landfill for processing of excessive hurricane generated vegetative debris received at their facility from residents of Indian River County through November 30, 2016. Subsequently, minor references were corrected to the draft agreement; however, INEOS has requested that the approval to use our facility be extended to December 31, 2016.

Staff supports this request and has provided the final Eighth Amendment to Feedstock Supply Agreement for Board approval.

**FUNDING:**

Funding for yard waste processing is budgeted and is available in the Other Professional Services account in the SWDD Recycling fund. The account has a total budget of \$896,000 for the 2016/2017 fiscal year.

**RECOMMENDATION:**

Staff recommends that the Board ratify and approve the attached Final Eighth Amendment and authorize the chairman to execute the Eighth Amendment.

Attachment 1: Eighth Amendment to Feedstock Supply Agreement
