

MEMORANDUM

TO: Jason E. Brown, County Administrator

FROM: Richard B. Szyrka, P.E., Public Works Director

SUBJECT: Authorizing Resolution for County Support of FDOT 82nd Avenue Improvements from 26th Street to 69th Street Project Financial Project No. 230879-3-52-10

DATE: January 25, 2019

DESCRIPTION AND CONDITIONS

Florida Department of Transportation (FDOT) Bulletin 15-03 requires that the local agency governing board approve a resolution or equivalent approval endorsing FDOT delivery of Off-System projects. The resolution endorses FDOT's delivery of projects that are within the local agency's right of way or local jurisdiction.

In the past, the MPO identified the construction of a two-lane roadway on 82nd Avenue from 26th Street to CR-510 as a top roadway priority. FDOT has undertaken a number of preliminary phases of the project, including Project Development and Engineering (PD&E). In order to proceed with the project, FDOT seeks a statement of County commitment for maintenance of the project.

The attached resolution is in support of the Florida Department of Transportation, to manage, construct, and deliver, Financial Project No. 230879-3, the construction of 82nd Avenue from 26th Street to 69th Street. The project involves rights-of-way acquisition, design, construction of a two-lane roadway, stormwater treatment facilities, 5-foot paved shoulders, pavement markings, and other associated improvements.

FUNDING

Funding is not necessary for action on this item.

RECOMMENDATIONS

Staff recommends that the Board of County Commissioners authorize the Chairman to execute the Resolution to enter into a Maintenance Memorandum of Agreement with the Florida Department of Transportation for 82nd Avenue from 26th Street to 69th Street.
