DESIGNATING MARCH 2024 AS A MONTH CELEBRATING THE OLDER AMERICANS ACT NUTRITION PROGRAM

Whereas, on March 22, 1972, President Nixon signed into law a measure that amended the Older Americans Act of 1965 to include a national nutrition program for individuals 60 years and older. For more than 50 years, this landmark law has helped to fund community-based organizations, like Meals on Wheels, and it is still the only federal program designed specifically to meet the nutritional and social needs of older adults; and

Whereas, each year, Meals on Wheels programs from across the country join together for the March for Meals awareness campaign to celebrate its success and garner the support needed to ensure these critical programs can continue to address food insecurity and malnutrition, combat social isolation, enable independence, and improve health for years to come; and

Whereas, Meals on Wheels programs in Indian River County have served our communities admirably for 50 years. Volunteers for Meals on Wheels are the backbone of the program, delivering nutritious meals to seniors who are at significant risk of hunger and isolation, but also caring concern and attention to their welfare.

Now, Therefore, be it Proclaimed by the Board of County Commissioners of Indian River County, Florida, that March 2024 is designated as a month celebrating the Older Americans Act Nutrition Program and the Board urges every community member to take this month to honor our Meals on Wheels programs, the seniors they serve and the volunteers who care for them.

Adopted this 5th day of March, 2024.
