**Proposed Plan:** Indian River County will accept a maximum of 10 tires per resident with proof of residency. Tires from commercial shops will not be accepted. County will provide mosquito control as necessary.

**Operational Procedures:** Indian River County and Republic Services will provide labor and oversee collection of tires at the collection sites. The County has contracted with Republic Services to drop off and pick up roll-off containers at the collection location. Republic Services will transport full containers to the Indian River County Landfill located at 1325 74<sup>th</sup> Avenue SW, Vero Beach, Florida for deposition. All tires collected during the amnesty event will be transported by a Florida registered waste tire collector. A log of all truck and trailer movements by time, date, and waste tire collector registration numbers will be provided. All waste tires collected will be processed/disposed of at a permitted waste tire processing/disposal facility.

Indian River County assumes responsibility for advertising at least 4 weeks in advance and staffing the event. Florida DEP will reimburse the county for the transportation and processing/disposal costs up to **\$25,000.00** for waste tires collected during the Indian River County Waste Tire Amnesty event.

Florida DEP will reimburse Indian River County upon receipt of an itemized invoice. Florida DEP requires proof of disposal method to include weigh tickets from the event on April 28, 2018.

**Indian River County assumes responsibility for any additional costs incurred.**
