ITEM 14.E.1

INDIAN RIVER COUNTY  
BOARD OF COUNTY COMMISSIONERS

INTER-OFFICE MEMORANDUM

---

TO: Members of the Board of County Commissioners

DATE: February 8, 2017

SUBJECT: Request to Discuss Scheduling a Meeting on the Development Review Process

FROM: Tim Zorc  
Commissioner, District 3 

---

**Discussion Item:**

I would like to discuss issues that I have observed over the past six months related to the County's development and permit review processes. During this time, my office has been contacted by a number of property owners, builders, developer and engineering firms who were facing a variety of issues related to our plan review and permitting processes. The issues span from items such as certification of occupancy on the residential side to regulations and requirements of commercial land development.

I would like to host a meeting with any interested parties to discuss the Development Review Process.
