ITEM 14.E.2

INDIAN RIVER COUNTY
BOARD OF COUNTY COMMISSIONERS

INTER-OFFICE MEMORANDUM

TO: Members of the Board of County Commissioners

DATE: November 29, 2017

SUBJECT: Discussion and Action Request –
Bethel Creek Concept Pilot Project

FROM: Tim Zorc
Commissioner, District 3

Discussion Item:

Based on my initial research and discussions with interested parties and agencies, I would like to take the concept pilot project for a 1-year temporary pump connection from the Atlantic Ocean to Bethel Creek and the Indian River Lagoon to the next level by inviting others to be included in the discussion. Further discussion with additional interested parties will help determine the viability of the concept pilot project.

The interested parties would include, but not be limited to, the following:

1. City of Vero Beach
2. St. Johns River Water Management District
3. Indian River Lagoon Council
4. Indian River Shores
5. Indian River Farms Water Control District
6. Sebastian Inlet District
7. Others?
