ITEM 14.C.1

INDIAN RIVER COUNTY
BOARD OF COUNTY COMMISSIONERS

INTER-OFFICE MEMORANDUM

TO: Members of the Board of County Commissioners

DATE: October 11, 2017

SUBJECT: Request to Update the Board on the Roseland Community Building and discuss moving the project forward

FROM: Susan Adams 
Commissioner, District 1

At the June 13th BCC meeting, the Board voted unanimously to move forward with Work Order #7 to conduct a building analysis of the Roseland Community Building ("RCB"). The completed report is attached.

Since that time, Ruth Stanbridge, County Historian has been working on updating the National Register of Historic Places Preliminary Site Information Questionnaire (PSIQ) for the Florida Department of State, which will help position the RCB for state historic preservation grants.

I would appreciate a discussion regarding the next steps for this project and generally, update the board on where we stand. I would also like to ask the Board to consider taking over paying the electric bill for this building, which is typically less than \$100. Due to the building having been closed to occupants since February, 2017, and the Roseland Women's Club has not receive normal rental income, this would off-set this monthly cost incurred by the club.
