COUNTY ATTORNEY'S
OFFICE

Dear Indian River County:

On behalf of Florida Fish and Wildlife Conservation Commission, the Youth Hunting Program of Florida would like to thank you for allowing a hunt to be hosted on your property. In doing so, 5 youth were allowed to go on a mentored experience that taught them valuable outdoor skills including how to be safe, ethical hunters and stewards of the land.

The final report stated that there were 2 hogs harvested off Sand Lake's Conservation Tract on September 16-18, 2016 hunt. There were also 8 volunteers that donated over 560 hours that made this hunt happen. Thank you letters from the kids are included as a testimony of the positive impact this opportunity made on their lives.

All of this would not be possible if there were not generous landowners, like yourself, that allows the Youth Hunting Program to host these events on gorgeous (farms/estates). Thank you for playing a major role in conserving the tradition of hunting by getting Florida's youth involved in the outdoors.

Sincerely,

Jonathan Roberts
