---

It is requested that the Board of County Commissioners formally consider the following information at its regular meeting of November 17, 2020.

**DESCRIPTION AND CONDITIONS**

On October 6, 2020, the Board of County Commissioners approved a resolution to release a (5) foot limited access easement located at 3755 9<sup>th</sup> Street SW. Since that action, an update to the legal description for the easement has been identified. As such, a corrective resolution including this update has been prepared for the Board's approval consideration.

**RECOMMENDATION**

Staff recommends that the Board, through adoption of the proposed corrective resolution, approve release of the limited access easement described in the corrective resolution.
