**Subject:** Code Enforcement Board (CEB) - Engineer Appointee

**CAUTION:** This message is from an external source. Please use caution when opening attachments or clicking links.

Mr. Reingold:

I am writing to you to provide notification that I will be resigning from my position on the Indian River County Code Enforcement Board (CEB) effective at the end of todays meeting. The CEB meeting of April 26, 2021 will be the last meeting that I serve as Engineer Appointee.

I also want to express my appreciation to County staff and to my fellow Board members for their cordial service, selflessly offered to all who appear before the Board.

I look forward to serving the County in the future.

With gratitude,  
Steve
