

**INDIAN RIVER COUNTY**  
**Community Services Department**  
**Veteran's Services**

Indian River County has a long and proud history of serving our nation's veterans, a legacy that continues to this day as we work with our federal, state and local partners to ensure that the former service members of our community have access to the resources they need to thrive.

Once again, this Veterans Day, Indian River County invites the County's 167,781 residents to join Operation Green Light and show support for veterans by lighting our buildings green from November 4 to 11, 2024. By shining a green light, Indian River County and our residents will let veterans know they are seen, appreciated and supported.

**Shine a light of  
hope and support  
for veterans**
