Subject Planning and Zoning Commission Resignation

Message Dear Commissioner Earman,

First off, I would like to thank you greatly for allowing me the opportunity to serve my community as a Planning and Zoning Commissioner. I've had a wonderful time working on this commission and really want to thank you and staff for helping me ease into this position.

That being said, my time commitments to other duties in my life have overtaken my ability to be an effective commissioner and I'm writing to resign from the commission effective immediately.

Again, I want to give gratitude to everyone that I've had the ability to work with over these past couple years.

Sincerely,
Curtis Carpenter
