MEMORANDUM

TO: Board of County Commissioners
FROM: Dylan Reingold, County Attorney
DATE: June 1, 2022
SUBJECT: On-Airport Lease and Aircraft Rescue and Firefighting (ARFF) Agreement

BACKGROUND.

On April 5, 2022, the Indian River County Board of County Commissioners (“Board”) approved the On-Airport Lease and Aircraft Rescue and Firefighting (ARFF) Agreement (collectively, the “Agreements”) with the City of Vero Beach. After the approval, City staff and Emergency Services District staff agreed that it would be best to have the Agreements retroactive to October 1, 2021. This will actually result in a greater increase in the payment to the Emergency Services District for ARFF services than the increase in lease payments owed to the City of Vero Beach.

In order to memorialize the retroactive application of the Agreements, County staff recommends the Board approve the revised Agreements, which reflect a date of October 1, 2021. Otherwise all other terms of the Agreements remain unchanged.

FUNDING.

The City payment for ARFF funding will increase retroactively back to October 1, 2021, which represents a difference of \$2,552.50 per month or an increase of \$22,972.50 through June 2022. The lease payment to the City during that same time period will go unchanged.

RECOMMENDATION.

The County Attorney’s Office recommends that the Indian River County Board of County Commissioners approve the revised On-Airport Lease and Aircraft Rescue and Firefighting (ARFF) Agreement retroactive to October 1, 2021.
