PREPARED BY: Jennifer Hyde, Purchasing Manager

SUBJECT: Second Extension and Third Amendment to Agreement for As Needed Motor and Pump Repair (Bid 2019056)

BACKGROUND:

The Board of County Commissioners awarded bid 2019056 to Florida Armature Works, Inc. and Kaman Industrial Technologies Corp, on August 13, 2019, for as needed motor and pump repair services. On December 7, 2021, the first amendment to the Florida Armature Works agreement was approved by the Board, appending the terms of the agreement to authorize other agencies to piggyback, and to incorporate E-verify requirements. On September 13, 2022, the first extension and second amendment to the Florida Armature Works agreement was approved by the Board, appending the terms of the agreement to include new federal clauses.

DISCUSSION:

The first extension term of this agreement will end on August 12, 2023. Staff has requested an extension to the agreement for the final one-year renewal period.

The agreement also requires amendment to incorporate changes to federal contract terms that would be required in the event the agreement is utilized following a disaster, or other federally-funded grant work.

SOURCE OF FUNDS:

Repairs will be paid from the following accounts, which are funded from water and sewer revenues:

Account	Account Desc	Spent FY to Date	Estimate for Next FY
47121836-044699	Utilities/WW Treatment/Utility R&R	\$4,897.96	\$9,000
47121936-044699	Utilities/Water Production/Utility R&R	\$12,530.76	\$20,000
47126836-044699-19512	Utilities/Wastewater Collection/Lift Station Rehabs	\$24,809.97	\$55,000

RECOMMENDATION:

Staff recommends the Board approve the second extension and third amendment to the agreement with Florida Armature Works, Inc., and authorize the Chairman to execute it after the County Attorney has approved it as to form and legal sufficiency.
