SUBJECT: Approval of Extension of FX Software Agreement

It is respectfully requested that the information contained herein be given formal consideration by the Board of County Commissioners at the next scheduled meeting.

DESCRIPTION AND CONDITIONS:

On September 10, 2013, the Board of County Commissioners approved the bid purchase (Bid # 2014001) of the annual software services (FX Software) from Harris Inc. for the 800 MHz Public Safety Radio System. The FX Software provides enhancements and corrections to public safety Enhanced Digital Access Communication System (EDACS) backbone and radio components. It also assures the County that any new generation radios, hand-held or mobile units, would seamlessly integrate into our communication network. The signed agreement includes provisions for one (1) year extensions as agreed upon parties. Harris has agreed to extend the price, terms, and conditions for another year.

FUNDING:

The FX Software is a budgeted expense and funds are available in the 001-107 (Communications/Emergency Services) account.

Account Number	Agreement Amount
