Re: Berkley Square

Dear Mr. Wittenberg:

Attached please find an updated cost estimate for the reconstruction of the Samuel Lane cul-de-sac. GHO Berkley Square Corp. provided a cash surety for two years to guarantee the replacement / repair of the cul-de-sac. This is a request for an extension of Contract No. SD-04-07-31-FLA (95080082-72145), Cash Deposit and Escrow Agreement posted by GHO Homes Corp. in the amount of \$20,296.75. Enclosed is a check in the amount of \$660.00 for the extension fee. The replacement / repair of the cul-de-sac has not been completed yet as there is a lot of construction taking place within the subdivision and the equipment being used will likely damage the road work. Once the construction of a majority of the homes is near completion, the asphalt work will be completed.

Please advise if this is request for an extension is acceptable to Indian River County.

Sincerely,

Joseph W. Schulke, P.E.
