Dear Nancy:

In December 2016, the City of Fellsmere has had four pieces of property donated to us that represent parts of parcel ID#'s:

31370000001143500001.1  
31370000001143400001.1  
31370000001000000003.0  
31370000001143400001.0

The donations were from FOF or the Mirzam company, and we intend to use the four parcels for public stormwater management, public recreation, public trails and greenways and for public cultural facilities in the City of Fellsmere.

If you require any additional information from me, please let me know.

Thanks,  
Sincerely,

Putnam Moreman, CPA, CGFM
