YouthBuild Partnership

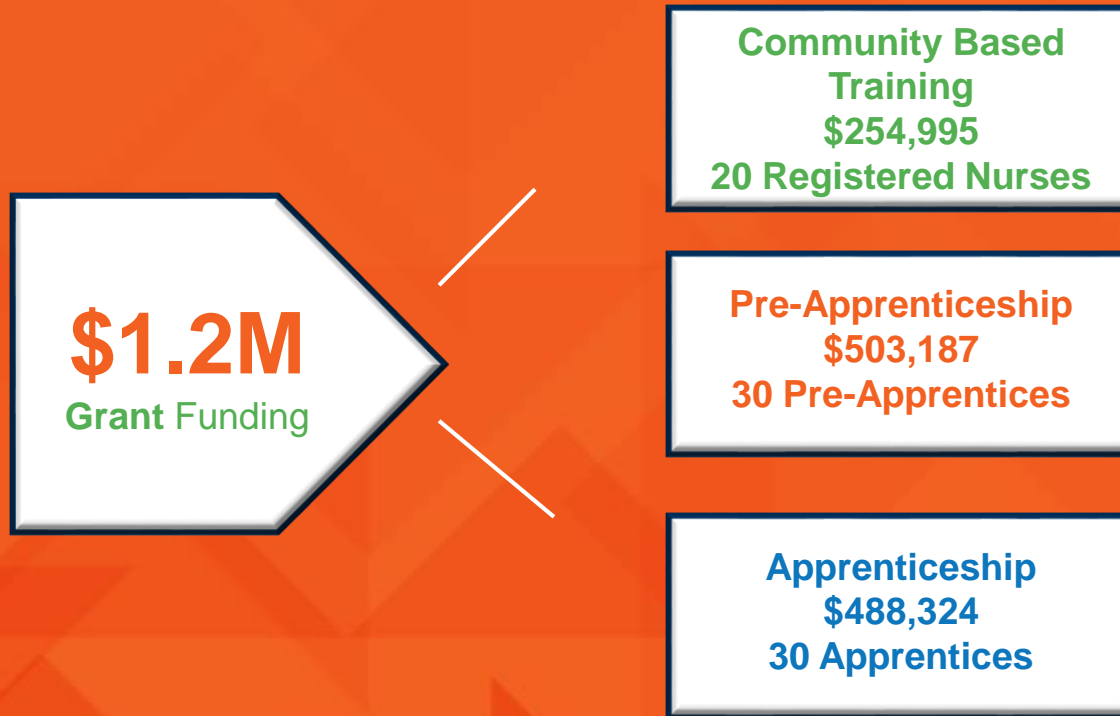

18 youth are actively engaged in the YouthBuild program working towards occupational certification and GED attainment. They completed construction of a “tiny house” on April 27, 2018 and are currently seeking employment with local construction companies.

Community Based Sector Grant

CSRC was awarded \$1.2M in grant funding to support sector strategy initiatives

Community Based Sector Grant

To address the shortage of Registered Nurses in the Research Coast, CSRC applied for and received a grant to train additional nurses. 20 nursing students were selected to receive their full two-year RN training including support services, paid at Indian River State College. In addition CSRC pledged to sponsor 20 additional nurses through the WIOA training allocation, at \$4,000 each.

Manufacturing Apprenticeship

Industrial Manufacturing Technician Apprenticeship and supporting Pre-Apprenticeship

The Strategic Development team successfully registered the IMT apprenticeship and pre-apprenticeship in the state of Florida. With the IMT, apprentices gain on-the-job-learning in the critical manufacturing work processes and related tasks and participate in formal education, preparing them for career advancement opportunities in the manufacturing industry.
