RE: Economic Development Council Attendance

Dear Mr. Lafferty:

I want to thank you for your willingness to serve our community as a member of the Indian River County Economic Development Council. However, it has come to my attention that you have not attended an Economic Development Council meeting since January 2016. Pursuant to Section 103.02(5), of the Code of Indian River County, if you have three consecutive unapproved absences, the Board of County Commissioners may deem your position abandoned. Although your absences may have been approved, your frequent absences make it difficult to have the necessary members present in order to conduct business. It also limits the input at the Economic Development Council meetings from the group or organization that you represent.

I therefore respectfully request that you be more diligent in your attendance or submit your resignation, so that the Board may fill your position with someone who is able to consistently attend the Economic Development Council meetings.

Very truly yours,

Dylan Reingold,
County Attorney
