Recipient: Indian River County

This Supplemental Agreement ("Supplemental"), dated _____ arises from the desire to supplement the State-Funded Grant Agreement ("Agreement") entered into and executed on June 17, 2022 as identified above. All provisions in the Agreement and supplements, if any, remain in effect except as expressly modified by this Supplemental.

The parties agree that the Agreement is to be amended and supplemented as follows:

The first sentence of Paragraph 3 is amended to read as follows:

This Agreement shall commence upon full execution by both Parties and the Recipient shall complete the Project on or before December 31st, 2025.

The deliverables stated in Exhibit A in the Supplemental Agreement #1 dated, May 22, 2023 are hereby deleted and replaced with Exhibit A deliverables in this agreement SA#2.

Reason for this Supplemental and supporting engineering and/or cost analysis:

The County experienced delays in the procurement of materials which resulted in a revised project schedule. This Supplement Agreement extends the terms of the executed agreement from June 30, 2024 to December 31, 2025 in order to align with the revised construction schedule and to avoid agreement expiration prior to project completion.

As a result of approved addendums, Exhibit A must be updated to include additional pay items approved during the bidding and award of the project.

IN WITNESS WHEREOF, the parties have caused these presents to be executed the day and year first above written.
