DESCRIPTION AND CONDITIONS

On March 22, 2016 the Board of County Commissioners approved a Florida Department of Transportation (FDOT) Small County Outreach Program Grant Agreement in the amount of \$2,404,264.00 (75% of the total estimated cost of \$3,205,685.00) for the resurfacing of CR512 which includes the dual westbound lanes from Roseland Road to US-1 of CR512 and the eastbound lanes from Easy Street to US-1. Amendment Number One to this agreement was approved on October 18, 2016 by the Board of County Commissioners which reflected an extension of the timeframe of the Agreement and updated deliverables required in order to bring the project in line with current roadway design standards.

Due to delays to the project schedule from impacts due to the recovery effort of Hurricane Matthew the FDOT has requested Indian River County execute and deliver to the FDOT the attached Amendment Number Two which reflects an extension of the timeframe of the Agreement. Also attached, please find a Resolution authorizing the Board of County Commissioners to execute SCOP Amendment Number Two. The funding amounts of the grant are not affected.
