Dear Chairman Earman:

Attached you will find the Federal Transit Administration's (FTA) Fiscal Year 2023 Triennial Review Final Report for the Indian River Board of County of Commissioners and the signed FTA cover letter. FTA would like to recognize that the County experienced no findings in FTA's FY2023 Triennial Review which assesses compliance in 23 review areas. An FTA Triennial Review with no findings is a rare occurrence. The County's staff that administers public transportation did a great job on preparing for the FY2023 Triennial Review.

Please let FTA know if you have any questions.
