To Whom It May Concern:

We recently approved a bid bond and subsequent final bond for Costello Brother Marine Construction, Inc. to Indian River County for \$149,058. In light of recent information concerning the delay of the start of the job we would be willing to reconsider bonding the final bond again at that time if requested.

Please be aware that this job will continue to be counted towards their current aggregate backlog. If any subsequent jobs requested from the principal exceeds their current aggregate of \$400,000 then the principal will need to submit the necessary financial information for consideration of a larger aggregate.

Sincerely,

*Jordan K. Macon*
