EXHIBIT #A

Work Order Number 10

Amendment #1

**Spoonbill Marsh Industrial Wastewater Facility Permit Renewal for
North Hobart Rd RO Water Treatment Plant
Open House Public Hearing**

PROJECT UNDERSTANDING

A permit renewal application was submitted March 13, 2017 for the Hobart North County Reverse Osmosis Concentrate Discharge facility, File No. DC 31-FL0166511-005. A draft permit has been prepared, along with several requests for additional information. A final permit has not been issued due to a request for public hearing with the permitting agency, Florida Department of Environmental Protection (FDEP).

The following scope of services is required to respond to public comments, preparation for the public hearing, research of data, and preparation of documents and exhibits.

SCOPE OF SERVICES

The scope of services will consist of collecting additional information and reviewing correspondence and claims from public comment.

Consultant will review public comments, provide technical information and responses to public comments, and provide data analysis and interpretation of these public comments.

Consultant will prepare for and attend meetings and conference calls with FDEP and IRCU staff regarding the on-going permitting process.

Consultant will procure and utilize the services of EW Consultants, Inc. who has extensive experience with surface water disposal permitting and environmental expertise to provide independent evaluation of the data, provide support in responding to public comments, and prepare and attend the open house public hearing.

TIME SCHEDULE

Consultant will complete these tasks in a timely and mutually agreed upon schedule.

FEE SCHEDULE

We will provide these services in accordance with our Continuing Services Contract Agreement for Professional Services dated November 4th, 2014, with Indian River County.
