INTER-OFFICE MEMORANDUM

TO: Members of the Board of County Commissioners

DATE: June 14, 2017

SUBJECT: Update regarding Indian River Lagoon Council Board of Directors Meeting on June 9, 2017

FROM: Susan Adams, Commissioner
District 1

As an update on the Indian River Lagoon Council Board of Directors (IRLC) meeting of Friday, June 9, 2017, I wish to advise of the following:

- The Board of Directors approved our member addition to the Board. The paperwork should be completed by the next meeting date (August 11, 2017), making Indian River County an official voting member.
- While the IRLC spoke about several matters, one of the most interesting was a presentation entitled "IRL Stormwater Capture and Treatment Feasibility Analysis Final Report" by St. John's Water Management District. Due to the document is too large to send over email; the full report is available at this link:

- The Board of Directors approved the prioritized FY 2017-2018 RFP Project list, attached.
