INTER-OFFICE MEMORANDUM

TO: Members of the Board of County Commissioners

DATE: January 7, 2019

SUBJECT: Additional Membership on Economic Development Council

FROM: Peter O'Bryan
Commissioner, District 4 *PDCB*

Commissioners:

At the Economic Development Council meeting of November 20, 2018, the members voted unanimously that the healthcare industry should have representation on its Council, as healthcare is one of the top employers in our County.

I request the Board consider adding a position on the Economic Development Council to represent the healthcare industry.

Thanks.
