To whom it may concern:

My name is Barbara Hooker with Bankers Maintenance and Inspections (BMI). I would like to protest the Bid 2020004 the concrete crushing and site work at the IRC landfill. I was working with the other bid 2019045 and I would like to be forgiven for not turning in the bid security as I mistakenly confused it with the bid bond which is not required until 14 days after bid is award.

I am a woman owned business with a certification from the State of Florida who works and lives in Indian River and has the best interest for this county as I'm not an outsider looking in. We will hire local Indian river county employees which will benefit our county. So, I'm begging for your forgiveness.

Thank you,
