Re: Emergency Contract Memorandum of Understanding Supplemental to Franchise Agreement for Red Tide Response

Dear Mr. Godwin:

Pursuant to the terms of the 2015 Franchise Agreement (RFP# 2015023), Waste Management ("WM") and the Solid Waste Disposal District ("SWDD") agree that:

WM will provide 20-yard open top roll-off containers to locations requested by Indian River County ("County") at the current franchise rate of \$175.81 per container (billed per haul). Disposable Liners for the containers will also be provided at a rate of \$40 per liner per container, with each container requiring one liner. At no point in time are containers permitted to be placed on the sandy beach east of the vegetation line unless authorized by county personnel.

Full containers shall be removed and transported to the County Landfill on a daily basis, with no tipping fees payable by WM. Empty containers with liners will be returned to locations specified by the County.

Indian River County's in-field point of contact for this project is James Ennis, P.E., County Engineer. Mr. Ennis can be contacted at (772) 563-7666 and jennis@ircgov.com. If Mr. Ennis is not available, James Gray, County Natural Resources Manager may be contacted at (772) 453-3784 or jgray@ircgov.com.

Sincerely,

Jason E. Brown
County Administrator
