

**INDIAN RIVER COUNTY  
OFFICE OF MANAGEMENT AND BUDGET  
PURCHASING DIVISION**

**DATE:** September 8, 2022

**TO:** BOARD OF COUNTY COMMISSIONERS

**THROUGH:** Jason E. Brown, County Administrator  
Kristin Daniels, Budget Director

**FROM:** Jennifer Hyde, Purchasing Manager

**SUBJECT:** First Extension and Second Amendment to Agreement for As Needed Motor and Pump Repair (Bid 2019056)

**BACKGROUND:**

The Board of County Commissioners awarded bid 2019056 to Florida Armature Works, Inc. and Kaman Industrial Technologies Corp, on August 13, 2019, for as needed motor and pump repair services. On December 7, 2021, the first amendment to the Florida Armature Works agreement was approved by the Board, appending the terms of the agreement to authorize other agencies to piggyback, and to incorporate E-verify requirements.

**DISCUSSION:**

The initial term of the agreement ended on August 12, 2022. Staff requested an extension to the agreement for one of the available one-year periods. Kaman Industrial Technologies Corp declined to renew this agreement, but Florida Armature Works has agreed to the extension with no change in pricing.

The agreement requires amendment to incorporate changes to federal contract terms that would be required in the event the agreement is utilized following a disaster, or other federally-funded grant work.

**SOURCE OF FUNDS:**

Repairs will be paid from the following Utilities accounts, which are funded from water and sewer revenues:

Account	Account Desc	Spent FY to date	Estimate for next FY
47121836-044699	WW Treatment R&R	\$4,650.94	\$7,000
47121936-044699	Water Production R&R	\$17,936.35	\$20,000
47126836-044699-19512	Wastewater Lift Station Rehabs	\$33,860.65	\$50,000

**RECOMMENDATION:**

Staff recommends the Board approve the first extension and second amendment to the agreement with Florida Armature Works, Inc., and authorize the Chairman to execute it after the County Attorney has approved it as to form and legal sufficiency.
