Re: Revised Proposal for Eminent Domain Legal Services

Dear Dylan:

Please accept this letter as a request to revise the retainer letter previously submitted to the County dated July 2, 2013. The requested revision would be to provide that paralegal services will be billed at the rate of \$100.00/hour. The remainder of the retainer letter will remain unchanged.

Please advise if you would like any additional information or a more formal attorney-client contract. I am looking forward to continuing to work with you and County staff in the future.

Sincerely yours,

William P. Doney, Esq.
