Indian River County Health Department to Move Curative COVID-19 Testing Site to IRC Fairgrounds

Vero Beach, FL – To accommodate the influx of traffic and demand for COVID-19 testing, the COVID-19 testing site at Intergenerational Center located at 1590 9th Street (Oslo Road) will be closed tomorrow, January 6th to move to a new site. The Florida Department of Health in Indian River County, in partnership with the Indian River County Board of County Commissioners, will move its Curative COVID-19 drive-thru testing site from the Intergenerational (IG) Recreation Center to the Indian River County Fairgrounds, beginning Friday, January 7, 2022.

The drive-thru testing site will continue to operate from 9 a.m. to 5 p.m., Wednesday through Sunday at the new Fairgrounds site. To prepare for this site change, testing **will not** be available through Curative on Thursday, January 6, 2022.

Those individuals requiring a COVID-19 test must enter the **Fairgrounds from the 77th Street entrance** and follow the assigned traffic pattern to obtain their test.

The tests are no cost to patients and appointments are strongly recommended. To schedule an appointment, visit cur.tv/verobeach. Individuals who would like to receive a COVID-19 test should bring a form of identification (driver's license, passport, etc.) and wear a facemask.

The Indian River County Fairgrounds is located at 7955 58th Avenue in Vero Beach.
