Dear Board of County Commissioners,

I am writing you to tender my resignation from the CSAC Advisory Committee. I was appointed January 21, 2021 as a member at large for a four year term. I am resigning because I believe that I can best serve the county on the Grant subcommittee, and under the new ordinance passed in 2022 I am not able to serve on both committees.

Thank you for appointing me to the CSAC Advisory Committee I enjoyed my brief tenure,

Regards,  
Susan Blaxill-Deal
