The Honorable Laura Moss
Indian River County Board of County Commissioners
1801 27th Street
Vero Beach, FL 32960-3388

Re: U.S. Geological Survey and Hydrological Study

Dear Commissioner Moss:

Indian River Soil and Water Conservation District (IRSWCD) Board of Supervisors is requesting the Indian River County Board of County Commissioner to please contact U.S. Geological Survey and request an updated county-wide geohydrologic survey as per the 2030 Comprehensive Plan that stipulates in Policy 2.6: "the Community Development Dept./Public Works, will "obtain updated county-wide geohydrologic (sic) survey" in 2015.:" IRSWCD recommended conducting an Updated Hydrological Study of the County that would study the water availability to the County from the Upper Floridan Aquifer.

Your assistance and cooperation with the above matter is greatly appreciated.

Sincerely,

David E. Gunter, Chairman
Indian River Soil and Water Conservation District
