BE PART OF THE JOURNEY!

You can be a part of the Treasure Coast's transportation future. Check your mail soon for the Regional Household Travel Survey. This tri-county survey will give you the chance to help planners improve roads and public transit, reduce congestion and enhance walking and bike paths for years to come.

Just fill out the simple survey to receive your one-day household travel log. The trips you take in one day will help plan the way forward for generations.

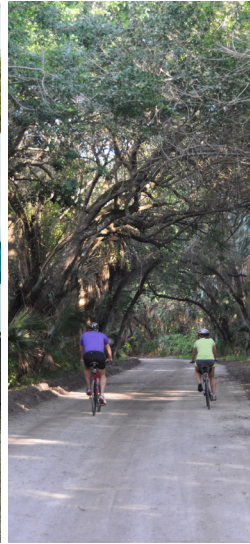

Be a part of the Treasure Coast Regional Household Travel Survey. We need you to show us the way.

For more information on the survey, visit our website:

- Do you drive or take the bus?
- Do you walk to the store?
- Do you go to work or school?
- How often do you use public transit?
- Do you ride your bike to the beach?

As Treasure Coast residents, we need your feedback. Tell us where you travel for a day so we can create the transportation systems to meet your needs.

The power of change is yours.
