Good afternoon, Reverend Rhyant –

Hope you've had a wonderful holiday season.

Commissioner Susan Adams is trying to round out the Census 2020 Community Action Committee, and we'd like to put your name in front of the Board of County Commissioners for approval as our faith-based representative.

I fully understand how busy you must be at this time of year, so if you don't have time to fill out the Committee Application (see attached), would it be possible to have you simply reply to this email with an expression of your interest in applying for the position?

Many thanks in advance for your kind assistance.

Best regards
