Subject: 2017 License / Use Agreement between FEMA, Indian River County and Indian River State College for Use of Space in Brackett Library

In response to Hurricane Irma, the County has entered into a License Agreement with the Federal Emergency Management Agency (“FEMA”). The License Agreement grants FEMA occupancy of specified rooms and facilities within the Brackett Library in order to provide disaster recovery assistance to applicants residing in Indian River County. Indian River State College has acknowledged receipt of a copy of the License Agreement and is cooperating with the County to facilitate the terms to the Agreement. While the agreement grants access through November 30, 2017, it is estimated that FEMA will complete their activities and vacate the Brackett Library within 7 to 10 days. The License Agreement is attached for your information.
