NOW THEREFORE, in recognition and consideration of the above Recitals, which are not merely prefatory, but are incorporated by reference as though fully set forth herein and form part of the consideration, terms and conditions of this Agreement, and in accordance with the mutual covenants herein contained and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **GENERAL.**

1.1 All professional services provided by the Consultant for the COUNTY shall be as identified in Attachment B and invoiced per Attachment C (collectively, the "Attachments", individually, Attachment B or Attachment C). The parties agree that the fully loaded hourly rates and staff hours shown in Attachment C are estimates only to be used for billing purposes and that Consultant's compensation is the total lump sum as set forth in paragraph 5.1. Consultant's services will be performed in a timely, efficient, cost effective manner. In the performance of professional services, the Consultant will use that degree of care and skill ordinarily exercised by other similar professionals in the field under similar conditions in similar localities. The Consultant will use due care in performing its services and will have due regard for acceptable engineering standards and principles. Consultant's standard of care shall not be altered by the application, interpretation, or construction of any other provision of this Agreement.

The Attachments include a description of services to be performed; a statement of fees; proposed schedule for compensation; a budget establishing the amount of compensation to be paid with sufficient detail so as to identify all of the various elements of costs; a projected schedule for completion of the work to be performed by the Consultant (25 months) which is dependent on the schedule of the construction contractor; and any other additional instructions or provisions relating to the specific Services authorized that do not conflict with the terms of this Agreement.

1.3 Additional services not contained in the Attachments which would increase, decrease or which are otherwise outside the scope of Services or level of effort contemplated by the Attachments shall be Services for which the Consultant must obtain the prior written approval of the COUNTY as provided by this Agreement. All terms for the performance of such Services must be agreed upon in a written document prior to any deviation from the terms of the Agreement, and when properly authorized and executed by both the Consultant and the COUNTY shall become an amendment to the Agreement.

1.4 The Background Recitals are true and correct and form a material part of this Agreement.

2. **COUNTY OBLIGATIONS.**

2.1 The COUNTY will provide the Consultant with a copy of any preliminary data or reports available as required in connection with the work to be performed under this Agreement, together with all available drawings, surveys, right-of-way maps, and other documents in the possession of the COUNTY pertinent to the Project and as otherwise provided in Attachment B. The Consultant is responsible for bringing to the COUNTY's attention, for the COUNTY's resolution, material inconsistencies or errors in such data that are made known to the Consultant, but Consultant is not responsible for discovering errors, omissions, or inconsistencies in the drawings or data provided.

2.2 The COUNTY shall arrange for access to, and make provisions for the Consultant to enter upon, public and private property (where required) as necessary for the Consultant to perform its Services, upon the timely written request of Consultant to COUNTY.

2.3 The COUNTY shall promptly execute all permit applications necessary to the Project.

2.4 The COUNTY shall examine any and all reports, sketches, proposals and other documents presented by the Consultant, and render, in writing, decisions pertaining thereto within a reasonable time.

2.5 Approval by the COUNTY of any of the Consultant's work, including but not limited to written reports, or any work products of any nature whatsoever furnished hereunder, shall not in any way relieve the Consultant of responsibility for the technical accuracy and adequacy of the work. Neither the COUNTY's review, approval or acceptance of, or payment for, any of the Services furnished under this Agreement shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement. The Consultant shall be and remain liable in accordance with all applicable laws for all damages to the COUNTY caused by the negligent performance by the Consultant of any of the Services furnished under this Agreement.

2.6 The COUNTY reserves the right to appoint one or more Project Managers for the specific Services in connection with this Agreement. The Project Manager shall: (a) act as the COUNTY's agent with respect to the Services rendered hereunder; (b) transmit instructions to and receive information from the Consultant; (c) communicate the COUNTY's policies and decisions to the Consultant regarding the Services; and (d) determine, initially, whether the Consultant is fulfilling its duties, responsibilities, and obligations hereunder.

2.7 The COUNTY shall give prompt written notice to the Consultant whenever the COUNTY observes or otherwise becomes aware of any development that affects the timing or delivery of the Consultant's Services. If the Consultant has been delayed in completing its Services through no fault or negligence of either the Consultant or any sub-consultant, and, as a result, will be unable to perform fully and satisfactorily under the provisions of this Agreement, then the Consultant shall promptly notify the Project Manager. In the COUNTY's sole discretion, and upon the submission to the COUNTY of evidence of the causes of the delay, this Agreement shall be modified in writing, subject to the COUNTY'S rights to change, terminate, or stop any or all of the Services at any time in accordance with this Agreement.

2.8 The Consultant shall not be considered in default for a failure to perform if such failure arises out of causes reasonably beyond the Consultant's control and through no fault or negligence of the Consultant. The parties acknowledge that adverse weather

conditions, acts of God, or other unforeseen circumstances of a similar nature, may necessitate modifications to this Agreement. If such conditions and circumstances do in fact occur, then the COUNTY and Consultant shall mutually agree, in writing, to the modifications to be made to this Agreement.

The original contract price and any additions thereto will be adjusted to exclude any significant sums by which the COUNTY determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs. All such contract adjustments must be made within 1 year following the end of the contract. COUNTY has the authority and right to audit Consultant's records under this provision. The COUNTY does not hereby waive any other right it may have pursuant to Section 287.055, Florida Statutes, as it may be from time-to-time amended.

10. **MISCELLANEOUS PROVISIONS.**

10.1 **Independent Contractor.** It is specifically understood and acknowledged by the parties hereto that the Consultant or employees or subconsultants of the Consultant are in no way to be considered employees of the COUNTY, but are independent contractors performing solely under the terms of the Agreement and not otherwise.

10.2 **Merger; Modification.** This Agreement incorporates and includes all prior and contemporaneous negotiations, correspondence, conversations, agreements or understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements, or understandings of any nature whatsoever concerning the subject matter of the Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior or contemporaneous representations or agreements, whether oral or written. Each right, power and remedy of the parties provided for in this Agreement shall be cumulative and concurrent and shall be in addition to every other right, power or remedy provided for in this Agreement or now or hereafter existing at law or in equity or by statute or otherwise. The failure of either party to insist upon compliance by the other party with any obligation, or exercise any remedy, does not waive the right to so in the event of a continuing or subsequent delinquency or default. A party's waiver of one or more defaults does not constitute a waiver of any other delinquency or default. If any legal action or other proceeding is

brought for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with any provisions of this Agreement, each party shall bear its own costs.

10.5 Severability. If any term or provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be held invalid or unenforceable for the remainder of this Agreement, then the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable shall not be affected, and every other term and provision of this Agreement shall be deemed valid and enforceable to the extent permitted by law.

10.6 Availability of Funds. The obligations of the COUNTY under this Agreement are subject to the availability of funds lawfully appropriated for its purpose by the Board of County Commissioners of Indian River County.
