This PURCHASE AND SALE AGREEMENT (this “Agreement”) is made as of the 17th day of August, 2021 (the “Effective Date”) by and between Indian River County, a political subdivision of the State of Florida (the “Seller”), and TIGR ACQUISITIONS III, LLC, a Delaware limited liability company (the “Purchaser”).

Capitalized terms used but not otherwise defined in this Agreement shall have the same meanings set forth in Exhibit A attached hereto and shall be incorporated herein by reference.

In consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the receipt of which is hereby acknowledged, Seller and Purchaser hereby agree as follows:

1. Agreement to Sell and Purchase. Subject to the terms and conditions set forth in this Agreement, Seller hereby agrees to sell, assign, transfer and deliver to Purchaser, and Purchaser agrees to purchase (the “Purchase”), at the Closing, all of Seller's right, title and interest in and to the Tower Assets, free and clear of any Liens of any nature. For purposes of this Agreement, the term “Tower Assets” shall mean, all of the real and personal tangible and intangible assets, properties and rights owned by Seller that are used in, or accounted for as a part of, the ownership and operation of the Tower (defined below), including without limitation the following:

a. one (1) wireless communications Tower (the “Tower”) located at the Site set forth in Schedule 1(a) (the “Site” or “Tower Site”);

b. all Tenant Leases relating to the Site existing as of the Closing, including without limitation those set forth in Schedule 1(b);

c. A perpetual telecommunication easement together with any and all easements for ingress, egress and utilities which are attendant to the telecommunication easement, which shall be negotiated prior to Closing (the “Easement”);

d. all buildings, structures, improvements and fixtures located at the Site and owned or used by Seller in connection with the ownership and operation of the Tower Assets and all physical assets, owned by Seller and located at the Site; and

e. all other assets owned by the Seller and used or useful in connection with the ownership or operation of the Tower.

2. Assumption of Liabilities and Obligations. At the Closing, Purchaser shall assume and agree to pay, discharge and perform only those executory liabilities accruing from and after the Closing under the Easement and the Tenant Leases (the “Assumed Obligations”). Except for the Assumed Obligations, Purchaser shall not assume or in any way undertake to pay, perform, satisfy or discharge any obligation or liability of Seller (contingent or otherwise), and Seller agrees to pay and satisfy when due any obligation or liability other than the Assumed Obligations (the “Excluded Obligations”).

3. Due Diligence.

a. Due Diligence Period. Purchaser shall have the right, commencing on the Effective Date, and ending on the earlier to occur of (i) the close of business sixty (60) days after the Effective Date, and (ii) the Closing Date (the “Due Diligence Period”), to enter upon, inspect, investigate and conduct legal,

financial, business, environmental, technical and any other due diligence that Purchaser determines necessary in its reasonable discretion with respect to the Tower Assets.

b. Entry and Inspection. During the Due Diligence Period, Seller shall permit Purchaser and its representatives reasonable access (during normal business hours) to all of the Tower Assets, and Seller shall furnish to Purchaser all reports, documents, records, and information, including electronic copies thereof, that Seller has in its possession or can obtain without unreasonable effort or expense as Purchaser may reasonably request, to permit Purchaser to perform its due diligence investigation with respect to the Tower Assets. Purchaser may undertake a complete physical inspection of the Tower Assets and the cost and expense of the inspection by Purchaser contemplated under this Section 3(b) shall be borne by Purchaser. Purchaser shall provide Seller copies of all third-party prepared due diligence investigations of the Tower Assets via email during the Due Diligence Period, however, Purchase may exclude reports that speculate on valuation of the Tower Assets unless such valuation is the basis of a termination hereunder.

c. Due Diligence Items. Not more than five (5) Business Days following the Effective Date, Seller shall make available to Purchaser, true, correct and complete copies of such of the following items as are in Seller's possession or control, including electronic versions (if any) (the "Due Diligence Items"):

- (2) Tenant Leases, easements and licenses presently in force covering the Tower Assets or any part thereof;

- (4) the most recent construction, engineering, architectural or other plans or drawings and related site plans, plats and approved drawings pertaining to the construction, ownership or operation of the Tower Assets, as well as zoning permits, variances, building and other permits, which have been gained or for which Seller has made application, and the FCC and FAA applications, responses, approvals and registration numbers submitted or received for each Tower;
- (5) the most recent real estate and personal property tax bills for each of the Tower Assets;
- (6) current tenant contact information; the most current accounts receivable listing, aged based on invoice date, by Tower, invoice and tenant; the most current accounts payable listing, aged based on invoice date, by vendor and invoice, and a reconciliation of both reports to the general ledger;
- (7) support for any accounts receivable allowance or reserve in place as of the most recent date, by tenant and invoice;
- (8) cash receipts supporting the most recent month's collection of rental income, for each tenant lease; and
- (10) available bank statements and deposit/disbursement support to reconcile all amounts paid and received in connection with the Tower Assets to the bank statement.

In the event that Seller fails to deliver or make available to Purchaser any of the Due Diligence Items within five (5) Business Days following the Effective Date, the Due Diligence Period shall be extended by an amount of time equal to any such delay, provided, however, that the Due Diligence Period shall not extend beyond the date that is ninety (90) days after the date hereof without the written consent of the Seller.

4. Easement Specific Provisions. The provisions of this Section 4 shall supersede and govern any contradictory provisions of this Agreement relating to the Easement.

a. Title Commitment. Purchaser shall obtain, at its sole cost and expense, a preliminary title report for an ALTA title insurance policy from Purchaser's title insurance company with respect to the Easement in form and substance reasonably satisfactory to Purchaser (the "Title Commitment"), together with a copy of all documents referenced therein.

b. Survey. Purchaser may, at its sole cost and expense, obtain a survey of the Easement (the "Survey").

c. Exceptions to Title.

i. Permitted Exceptions. Except as set forth in Section 4(c)(ii), (iii) or (iv) below, any liens, encumbrances or other exceptions to title set forth on Schedule B-2 to the Title Commitment (other than the "standard exceptions"), that are not objected to in writing by Purchaser prior to expiration of the Due Diligence Period shall be deemed to be "permitted exceptions" to title to the Easement (the "Permitted Exceptions").

ii. Unpermitted Exceptions. Notwithstanding any provision to the contrary in this Agreement, Seller agrees that the following shall constitute unpermitted exceptions: (i) any mortgages, deeds of trust or other security interests for any financing affecting the Easement or incurred by Seller; (ii) Taxes which would be delinquent if unpaid at Closing; (iii) mechanics' and judgment liens, (iv) liens, mortgages, security interests, claims, charges, easement, rights of way, encroachments, restrictive covenants, or other title exceptions not first appearing in the Title Commitment, and (v) such matters as appear on Schedule B-1 to the Title Commitment capable of being satisfied by the payment of a monetary sum. The unpermitted exceptions referenced in items (i) through (v) in the prior sentence are collectively referred to as "Monetary Unpermitted Exceptions".

iii. Updated Title Commitment or Survey. If any update of the Title Commitment delivered to Purchaser discloses title matters which are not disclosed in the Title Commitment, (a "New Title Exception"), or the Survey or any update of the Survey delivered to Purchaser discloses any survey matter which is not disclosed in the Survey (a "New Survey Defect"), then Purchaser shall have the right to request Seller to remove or cure such New Title Exception or New Survey Defect at or prior to Closing.

iv. Removal of Unpermitted Exceptions. Seller shall remove or cure all Unpermitted Exceptions at or prior to Closing by (i) removing such Unpermitted Exception from title, or (ii) causing the title company to commit to remove, such that it does not appear of record, or insure over such Unpermitted Exception in the Title Policy, provided, however, that such removal or insuring over by the title company is in form and substance acceptable to Purchaser in its reasonable discretion. If the Title Commitment discloses judgments, bankruptcies or other returns against other persons or entities having names the same as or similar to that of Seller, then Seller, on request and to the extent applicable, shall deliver to Purchaser or the title company affidavits to the effect that such judgments, bankruptcies or other returns are not against Seller.

d. Title Policy. At Closing, Purchaser shall cause the title company to issue to Purchaser an ALTA form of title insurance policy with respect to the Easement or binding commitment therefor to issue the same, dated, or updated, to the Closing Date, insuring, or irrevocably committing to insure, at normal statutory premium rates, without the requirement for additional premiums or escrows to be posted by Purchaser, with extended coverage with respect to the Easement, with customary endorsements, the Easement and improvements, subject only to the Permitted Exceptions (the "Title Policy"). The Title Policy shall be dated as of the Closing Date with gap coverage from Seller from the Closing through the date of recording and shall be issued at such party's sole cost and expense as is customary for similar transactions in the jurisdiction of the applicable Easement.

e. Conveyance of the Easement. At Closing, Seller shall convey to Purchaser (a) good and valid interest in the Easement, subject only to (A) the Permitted Exceptions relating thereto, and (B) any Unpermitted Exceptions which are cured by causing the title company to remove or insure over such matters in the Title Policy in accordance with Section 4(c)(iv), but which otherwise are not removed from title, and (b) good and marketable title to the personal property set forth in Section 1, free and clear of all liens and encumbrances.

5. Purchase Price; Adjustments; Earnest Money.

a. Purchase Price. Provided that the annual Tower Cash Flow for the Tower(s) is equal to or greater than \$220,886.00 (the "TCF Threshold") as of the Closing Date, the purchase price for the Tower Assets (the "Purchase Price") shall be FOUR MILLION ONE HUNDRED THOUSAND 00/100 Dollars (\$4,100,000.00) which shall be paid by bank or certified check or wire transfer upon delivery of the Closing Documents and the Closing of the transaction hereunder. \$10 of the Purchase Price shall be allocated to the Easement with the balance of the Purchase Price allocated to the Tenant Leases, the Tower and associated equipment.

b. Adjustments. If Purchaser discovers during the Due Diligence Period that, the Tower Cash Flow with respect to the Tower is less than the TCF Threshold as of the Closing Date, the Purchase Price shall be reduced by an amount equal to the sum of: (A) 17.51 *multiplied* by (B) the difference between the TCF Threshold and the actual Tower Cash Flow with respect to the Tower as of the TCF Date. In the event that Seller disputes Purchaser's calculation of Tower Cash Flow, Seller and Purchaser shall, in good faith, attempt to agree upon the actual Tower Cash Flow with respect to the Site(s) on or before ten (10) days following Seller's receipt of the Purchaser's determination of Tower Cash Flow.

6. Earnest Money. Within five days after the Effective Date, Buyer shall deposit Forty One Thousand and No/100 (\$41,000.00) Dollars (the "Earnest Money") with TitleVest Agency, LLC. The Earnest Money shall be held in a non-interest bearing account. In the event the sale closes as provided herein, then the Earnest Money and the remainder of the Purchase Price shall be paid to Seller at Closing. The cost to Seller of granting to Buyer the right to purchase the Property has a value that is difficult to calculate, and the Parties have agreed that the Earnest Money is a reasonable approximation of that value. In the event Buyer defaults in its obligations hereunder, the Earnest Money shall be paid over to Seller as an agreed and liquidated amount of compensation and not as a penalty. In the event this Agreement is terminated by Buyer on or before the last day of the Due Diligence Period or as otherwise permitted herein, the Earnest Money shall be returned to Buyer. Otherwise, the Earnest Money shall be paid out as provided in this Agreement.

7. Closing. Provided that all conditions to closing contained herein have been met or waived, the closing of the transactions contemplated hereby (the "Closing") shall occur on or before October 18, 2021 (the "Anticipated Closing Date"). All documents required to close the transaction shall be deposited in escrow with the TitleVest Agency, LLC located at 110 East 42nd Street, 10th Floor, New York, NY 10017 ("TitleVest") at least three (3) calendar days prior to the Closing, or as otherwise agreed to. In the event that

all conditions to Closing have not been met or waived by the Anticipated Closing Date, the Closing shall occur on the fifth (5th) Business Day following the satisfaction or waiver of all such conditions, or on such other date as the Seller and Purchaser shall mutually agree. The date that the Closing occurs shall be referred to as the “Closing Date”.

8. Representations and Warranties of Seller. Seller hereby represents and warrants to Purchaser as follows:

a. Authority. Seller has all requisite power and authority to own and operate the Tower Assets and to enable the Seller to execute and deliver, and to perform its obligations under, this Agreement and each Closing Document and to consummate the Purchase. Neither the execution and delivery by Seller of this Agreement or any Closing Document, nor the consummation of the Purchase, will conflict with, or result in a breach or violation of, or constitute a default under, any governing document of Seller or, to Seller's knowledge, any applicable law, or will conflict with, or result in a breach or violation of, or constitute a default under any agreement of Seller relating to indebtedness for money borrowed.

b. Legal Actions. There are no legal actions, orders or stipulations of or by any governmental authority pending or, to the knowledge of Seller, threatened at law, in equity or before any governmental authority against Seller or the Tower Assets or relating to the ownership and operation of the Tower Assets or would reasonably be expected to impair Seller's ability to consummate the Closing or perform its obligations under this Agreement.

c. Tenant Leases. Each of the Tenant Leases and all amendments thereto has been provided to Purchaser, has been duly authorized, executed and delivered by Seller and, to the knowledge of Seller, the other parties thereto, and is a legal, valid and binding obligation of Seller, enforceable in accordance with its terms. There are no leases, subleases, licenses or other occupancy agreements (written or oral) which grant any possessory interest in or to the Tower Assets or which grant other right with respect to the use of any of the Tower Assets. Furthermore: (i) A third party is collecting the rent set forth in each Tenant Lease on a current basis and Seller is unaware of any past due amounts owed to third party, and before or after Closing, Seller retains the right to collect directly from the third party or any Tenant or subtenant rent or any other fees or expenses that are owed or past due as of Closing; (ii) The Seller is unaware of any rental concessions or abatements in rent that may have been granted to any Tenant by the third party prior to or subsequent to the Closing Date; (iii) Seller has not given notice to any Tenant claiming that the Tenant is in default under its Tenant Lease, and, to the best of Seller's knowledge, there is no event which, with the giving of notice or the passage of time or both, would constitute such a default; (iv) Seller has not received notice from any Tenant claiming that Seller is in default under the Lease, or claiming that there are defects in the improvements; (v) Seller has not received notice from any Tenant asserting any Claims, offsets or defenses of any nature whatsoever to the performance of its obligations under its Tenant Lease and, to the best of Seller's knowledge, there is no event which, with the giving of notice or the passage of time or both, would constitute the basis of such Claim, offset or defense; (vi) except as expressly set forth in the Tenant Leases, the Seller is unaware of any security deposits or prepaid rentals under any of the Tenant Leases; and (vii) the Seller is unaware of any Tenant Lease that provides for non-monetary rent or other consideration to the lessor thereunder.

d. Easement. The Seller has good and marketable title to the Easement, and is the sole owner of the improvements thereon. Seller has obtained all easements and rights-of-way that are necessary to provide access to and from the Site.

e. Site. Seller owns the Tower Assets, free and clear of all Liens, and will transfer to Purchaser at the Closing, good, marketable and insurable title thereto, free and clear of all Liens. Seller has not received notice that the Site is subject to any condemnation proceedings or that the Site is not in compliance with any applicable law; to the best of Seller's knowledge, the Site is in compliance with all

Applicable Laws and Governmental Authorizations and no consents are required to be obtained by Seller from any Governmental Authority or any third party in order to consummate the Purchase. To the best of Seller's knowledge, all improvements of Seller on the Site are in compliance with applicable zoning, NEPA, FCC, FAA, the National Historic Preservation Act and any related or similar state laws and land use laws. No consent, approval or authorization of, or registration or filing with any Person (each, a "Third Party Consent") is required to be obtained in connection with the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby.

f. Tower. Purchaser has the rights to inspect and investigate as set forth in Section 3 above. SELLER DOES NOT WARRANT OR MAKE ANY REPRESENTATION REGARDING THE STRUCTURAL INTEGRITY OF THE TOWER.

g. Tower Cash Flow; Tower Revenue. The Tower Cash Flow with respect to the Tower is equal to or greater than the TCF Threshold as of the Closing Date.

h. Broker or Finder. Except for SteepSteel, the fees and commission of which shall be paid at Seller's sole cost and expense, no agent, broker, investment banker or other entity engaged by or on behalf of Seller or any of its Affiliates is or will be entitled to a fee or commission in connection with the Purchase.

i. Environmental Matters. Seller has not entered into or received any consent decree, compliance order or administrative order issued pursuant to any Environmental Health and Safety Requirements and Seller is not a party in interest with respect to any judgment, order, writ, injunction or decree issued pursuant to any Environmental Health and Safety Requirements. To the best of Seller's knowledge, Seller is in compliance with, and has all permits required by, all Environmental Health and Safety Requirements. Seller is not the subject of or, to its knowledge, threatened with any legal action involving a demand for damages or other potential liability with respect to violations or breaches of any Environmental Health and Safety Requirements or Environmental Permits relating to its ownership or operation of the Tower Assets.

j. No Third Party Rights. No Person other than Purchaser by reason of this Agreement has any contractual or other right of first refusal or any other right or option to acquire the Tower Assets or any portion thereof, including through any merger, consolidation, liquidation, dissolution or other reorganization.

k. Accounts Receivable. A third party is collecting accounts receivable and as such, Seller is unaware of the status of accounts receivable relating to any Tenant Lease (the "Accounts Receivable").

The representations and warranties above shall survive the Closing and shall remain operative and in full force and effect for a period of thirty-six (36) months after the Closing Date other than Section 7(a) that shall survive indefinitely.

9. Conduct of Business by Seller Pending the Closing. After the Effective Date and prior to the Closing Date, Seller shall own and operate the Tower Assets in the ordinary course of business which shall include, without limitation, (i) keeping each of the Tower Assets free of debris and excessive vegetation, and in good commercial working order; (ii) not selling, disposing of or otherwise transferring the Site; and (iii) maintaining with insurance on the Tower Assets in such amounts as are consistent with past practice. In addition, Seller shall not enter into, cancel, modify, alter, amend, consent to the assignment of or terminate any contracts, leases, arrangements, understandings or agreements that will affect any of the Tower Assets.

10. Closing Documents. At Closing, Seller shall execute and deliver to Purchaser such normal transaction documents as may reasonably be required by the Purchaser or its title insurance company, each in a form reasonably acceptable to Seller, including without limitation the following (collectively, the “Closing Documents”):

(a) a certificate stating that the Seller is not a “foreign person” as defined by the Federal Foreign Investment in Real Property Tax Act;

(b) meeting minutes of the governing body of Seller demonstrating authorization for the execution, delivery and performance of this Agreement, the transfer of title to the Tower Assets and the other collateral documents by Seller;

(c) a Bill of Sale transferring title to the Tower;

(d) an Assignment and Assumption of Tenant Leases;

(e) the Easement duly executed and acknowledged;

(h) any reasonable and customary affidavits required by, and satisfactory to, the title company in order that an owner’s title insurance policy with respect to the Easement may be issued free and clear of the standard exceptions which a title company is permitted by applicable law to remove or modify upon delivery of such affidavits;

(j) a certificate signed by an executive officer of Seller certifying that (1) Seller has performed and complied in all material respects with all agreements and covenants required to be performed or complied with by it, as the case may be, under the Closing Documents to which it is a party at or prior to the Closing, (2) each of the covenants, representations and warranties of Seller are remade and restated with respect to the Tower Assets as of the Closing, and (3) each of the persons executing and delivering this Agreement and Closing Documents to which it is a party on behalf of Seller has or have the authority to execute, deliver and consummate this Agreement and each Closing Document; and

(k) payoff amounts and evidence of termination to the reasonable satisfaction of Purchaser of all Liens affecting the Tower Assets.

11. Conditions to Closing.

a. Conditions to Obligations of Each Party. The respective obligations of each party to consummate the Purchase shall be subject to the condition at or prior to the Closing Date, which condition may be waived in writing by the applicable party in whole or in part to the extent permitted by Applicable Law, that no legal action shall be pending before any Authority seeking to enjoin, restrain, prohibit or make illegal the consummation of the Purchase.

b. Conditions to Obligations of Purchaser. The obligation of Purchaser to consummate the Purchase shall be subject to the satisfaction of the following conditions, any or all of which may be waived in writing, in whole or in part, by Purchaser to the extent permitted by Applicable Law:

(B) Seller shall have performed all agreements contained herein required to be performed by it at or before the Closing; and

(C) Seller shall have executed and delivered each of the Closing Documents;

ii. Purchaser shall have received, at Purchaser's expense, a marked commitment for owner's title insurance, in form acceptable to Purchaser, insuring title to the Easement;

iii. Between the Effective Date and the Closing Date, no event shall have occurred that has had or is reasonably expected to have a Material Adverse Effect on the Tower Assets; and

iv. All authorizations, Third Party Consents, waivers or approvals required by the provisions of this Agreement to be obtained from all Persons shall have been obtained.

c. Conditions to the Obligations of Seller. The obligation of Seller to consummate the Transactions shall be further conditioned upon the satisfaction or fulfillment, at or prior to the Closing, unless waived in writing by Seller, that the representations and warranties of Purchaser contained herein shall be true and correct in all material respects, and Purchaser shall have paid the Purchase Price at the Closing.

12. Apportionment of Real Estate Taxes, Rent, Utilities. Appropriate prorations shall be made on a daily basis as of the close of business on the Closing Date with respect to rental and lease payments, security deposits, utilities, current year real and personal property taxes and all other items of income and expense due or payable under the Easement and Tenant Leases, in each case, of a nature ordinarily prorated as of closing in real estate transactions (and not separately addressed elsewhere in this Agreement) with Seller being entitled to all such income and responsible for all such expenses relating to the Tower Assets then being conveyed for all periods on or prior to each Closing Date and Purchaser being entitled to all such income and responsible for all such expenses relating to the Tower Assets then being conveyed for all periods subsequent to the Closing Date. A reasonable estimate of such pro-rations shall be agreed to by Seller and Purchaser at least two (2) Business Days prior to the Closing Date (the "Pro-Rations Estimate"), and shall be settled in immediately available funds at the Closing. All past due real estate and personal property taxes, if any, shall be paid by Seller at or before the Closing. Seller expressly agrees that if it receives any rents, revenues or other payments under the Tenant Leases included in the Tower Assets after the Closing Date, it shall remit to Purchaser the moneys so received within five (5) Business Days after receipt thereof.

Notwithstanding the foregoing, at each Closing, Purchaser shall receive a credit for the full amount of all rent due under the Tenant Leases for the month immediately following such Closing and Seller shall be entitled to keep all such amounts that it receives from Tenants for such month. The foregoing provision shall survive the Closing.

13. Indemnity.
