MEMORANDUM

TO: Board of County Commissioners
FROM: Dylan Reingold, County Attorney
DATE: January 7, 2020
SUBJECT: 2020 Committees Vacancies

On September 13, 2011, the Board of County Commissioners adopted Resolution 2011-072, which assigned to the County Attorney's Office the task of monitoring certain committee member terms, and overseeing the process of annual appointments and reappointments. Pursuant to this process, on November 19, 2019, the Board reappointed a significant number of incumbent committee members to another term. This agenda item is to consider appointment of new applicant(s) to committee vacancies. Committee vacancies have been advertised on the County's website, on Channel 27. There is a qualified applicant to be considered for appointment to the committee's vacancy for the Beach and Shore Preservation Advisory Committee.

The name of the qualified applicant for the BCC Appointee position is David W. Morgan, whose résumé and application is available for review in the Commissioners' Front Office area.

Also, attached is a list of the remaining committee vacancies (note: several vacancies are designated positions – that is, the committee member must be an architect, engineer, etc. Applicants for designated positions who do not meet the required criteria have not been included on the attached list).

RECOMMENDATION

The County Attorney recommends that the Board review the applicant's résumé and application, and determine whether to appoint David W. Morgan to fill the "BCC Appointee" vacancy on the Beach and Shore Preservation Advisory Committee.
